“ Man... miss you brother. All those late night conversations in the SuperValu parking lot, the times we'd head in town and shoot dice with the old heads, and the competition we gave each other at work every day. We had a lot of fun as young men. But one thing's for sure.... you loved your family. I know they miss you and I will keep them in my prayers. My condolences to your family and closest friends

“ Condolences to the family. Ambitious will be extremely missed. Especially out on the pier. Fishing won't be the same without you bro. Nobody will ever come close to the distance he would sling the line out there. We're gonna catch the big one for you, no doubt. Work on that jumper though! BIG CAT.
