PS

On this celebration day of Mary Hackett's life, we want you to know the Mary Hackett we knew. Mary Hackett was a lady: refined, hospitable, graceful and elegant. She was an outstanding teacher who loved her students. We became co-workers and friends in the 1970's at Malcolm X Open Space School in Washington, D.C.

Mary was one to be admired, respected and loved. Our friendship at Malcolm X, Center 300 became like that of a family. As we retired and moved on to other schools, we became even closer. We continued to meet yearly, in December, at each other's homes.
On one occasion, when we met at Mary's beautiful home, we felt like special guests. The meal was delicious. We will always remember her mac and cheese with shrimp. It was so tasty.

We want you to know we loved her, treasured and appreciated her friendship. Everyone needs a Mary Hackett in their lives. She will always be a permanent occupant in our hearts. We loved and will always remember our Mary Hackett.

To you, Mary's family, you are in our thoughts and prayers.

With Sympathy,
The Malcolm X, Center 300 Family
