“ BECK!!! I can't believe that you're gone and I cried like a baby when I found out. GOD HAS THE FINAL SAY. > I remember praying for you when you were looking for work and encouraging you to stay focused on your goals despite the struggle and you prevailed. > Brother, you ain't got to worry no more. Just watch over those babies. > Peace & Much Love - Re

“ We would like to extend our condolences to the family. May the support of family and friends be a source of strength and the God of comfort a refuge in your time of sorrow. With caring thoughts.

“ Christopher came to the Howard University Pediatric Clinic in Washington, DC. We were saddened to learn of his passing. He was one of my children and he will surely be missed by me and my staff. I would like to offer these words of comfort:

Always

You will think about Christopher always, you will talk about him still, he will not be forgotten, and he never will.

You will hold Christopher close within your hearts, and there he will remain, to walk with you throughout your lives until you meet again.
