“ Condolences to Jesselyn, Candy, and the entire Jackson family. JR will be truly missed. I met JR during our first year at Virginia Union, and one of my favorite memories is when he would call me “Hoss” with a slight whistle afterward. Although we hadn't seen each other for the past few years, we always texted each other on holidays. Rest in Peace, JR. I love you.

“ I am so happy that I had the chance to meet and work with Herman during my early days with Schering Plough. He was so kind, smart and the person you could call that would lift up your spirits when feeling down. God took this man way to soon from us, he must have big plans for him. Herman's family will be in my thoughts and prayers.

“ I am so grateful to God for allowing my family and I the privilege to fellowship and share in this journey with Herman and your family. Herman showed me how to witness, love other's, even through infirmities, trust in God and he always told me to make sure I spend time with my family. To Jesslyn, Jenae and Trey, Herman leaves a legacy and a reach, deep and wide as the eye can see. We love you, we share in your grief and are praying with you. “ I had the privilege of directly working with Herman for about 10 years at Schering. He was such an amazing human being that radiated positive energy to all that knew him. Herman had a way of making you see the good things of life through his faith and he would make you smile even on a bad day. God took an amazing guy from us all but I'm sure God needed his angel for a special reason to touch someone's heart. Herman made a difference in the lives to all that knew him. He will be truly missed and I feel so blessed to have known him. Rest In Peace Herman

“ I had the good fortune of working with Herman at Novo Nordisk. We spent many hours in the car conducting business and talking about family and faith. Herman was so proud of his family and loved to share stories about Jesselyn, Trey, and Jenae. Herman always brightened my day every time I spoke with him. Will miss him immensely. I am so sorry for your loss.

I was devastated to hear about his passing as is everyone who knew him. Certainly a one of a kind jewel that will never be forgotten. My thoughts and prayers are with you all.
