"May I Go"

May I go now: Don't you think the time is right?

May I Say good-bye to pain-filled days and endless nights?

I've lived my life and done my best, an example I've tried to be, I didn't

want to go at first: I fought with all my might! So, can I take this step

beyond and set my spirit free? But something seems to draw me now to a

warm and loving light. I want to go, I really do, it's difficult to stay, But I

tried as best to live just one more day; To give you time to care for me and

share your love and fears, I will not be far, I promise that and hope you'll always know

That my spirit will be close to you wherever you may go.

Thank you for loving me, you know I loved you too.

That's why it hard to say good-bye and end this life with you,

So, hold me now just one more time and let me hear you say,

Because you care so much for me, you let me go today.

Love Always - James
