“ *My sincere & deepest condolences to the family. Adrian and I grew up in Eva Gardens together. We have known each other since 5th grade. He played football & I was a cheerleader for both Crestwood Jr High & Indian River High School. He was a great guy & funny. I will always remember him & his family.*

“ I've been knowing Adrian and his family almost our entire lives. We grew up together in a joining neighborhoods. Went to school together, played football together. We hung at his house they at mine. His mother and father made sure we were doing what we suppose to be as well as mine. Even though we may not have talked as much lately the bond our families have will last forever. To Mrs Mary, Trey and Terrance my heart felt and deepest condolences. I love you all and please stay in touch.

To the mobley family my deepest condolences. Adrian and I were great friends we grew up together in our childhood stages from elementary to high school. We play ball together football had many good laughs Adrian would truly be missed how do I know myself and a lot of his other friends kept asking ourselves where is Adrian we haven't seen him in a long time. And boom that phone call that everyone dreads to get. Yo bro I hate to tell you this, right then my first thoughts was man please don't tell me something bad. And low and behold a tear drop fall for my brother from another mother you will surely be missed from the Geter boys, Donald and Ronald. Love you bro I hope to see you again on the other side.

“ Just found out 30 mins ago...we where co workers for 3 to 4 year at Foundations. Went to war with him at that school, blood sweat and tears with him.. This broke my heart! RiP... I want his wife to know he loved her with all his heart, we spent hours talking about her. Damn this hurts me to my core. He was a great person, helped every one that asked for help... You will be missed SIR....
