“ I am so sorry for my father's and Brian's loss. I didn't know Agnes but i know she was loved and shared hers with world. I wish i had a chance to get to know her and her life. I'm sure it was amazing.I already miss an angle that i never knew. Her light stills shines in the harts of those she left behind. Let it burn.

“ *Ralph and Family,*

*I know that words cannot take away the pain and sorry and a flower or gift cannot fix the grief that you and your family are experiencing at the present time during the lost of your beloved one. Just remember that God is a healer and He will heal all of your broken hearts as the day goes by.*
