“ *Dr Quashie was the first dentist to calm my fears of procedures and dental needs. I was truly afraid of the dentist after a few bad experiences and he made all of that a distant memory. He is surely missed and I look forward to his son following and in his heavenly footsteps*

“ *I just learned of Dr. Quashie's passing from his son this morning. He was always kind and gentle. He knew how afraid I was of the dentist, but he always reassured me things would be fine and put me at ease. Dr. Quashie was my dentist for over 15 years and he will be greatly missed. I know he is at peace and resting with the Lord. Prayers of peace and comfort to his family.*

“ I'm just now hearing about the death of Dr. Quashie Sr., and I am profoundly sadden by the news. He was a great dentist and also a very funny, warm, and kind man. Despite my dental office issues, he still aloud me to his patient (smh). Farewell by beloved friend. I'm sure you're keeping the other angels teeth looking great!

“ Dr. Quashie Sr was a great dentist and a good listener. We shared information with each other about his native land and music. I'll never forget he gave me a CD to learn to enjoy African music. I will always remember him. I was referred to him by my daughter and then I referred him to my sister, who then became a patient. To the Quashie Family you have my deepest condolences.

“ Dr. Quashie was the best dentist ever; now his son, Quashie, Jr., is just as good! I am deeply sadden by this turn of event; please know I am praying for the family during your times of sorrow, and remember, God only takes the best; I am sure there are many who need dental work in Heaven. We never get over the loss of our loved ones; we just learn to accept what God has allowed. With Deepest Sympathy..... Angela Hoover, patient

“ *My condolences, Mrs. Quashie, Albert Jr. I have known Dr. Quashie for over 25 years when he first began his practice on New Hampshire Avenue. Dr. Quashie was one of the kindest and gentlest doctors I've ever met. I've always had a fear of going to the dentist, until I met Dr. Quashie. He reassured me each time by taking the time to explain the procedures and whenever I would wince, he would stop to make sure I was ok before he would continue and before I knew it he was able to perform oral surgery without any problems. He knew I was also terrified of needles and whenever he had to inject me he would always engage me in a discussion of a topic he knew I liked, in my case it was Tennis for we all know how he loved the game of Tennis. My heart breaks for your loss, for we as patients were only privy to a miniscule portion of the love and support that he possessed and yet still he was able to assist thousands of whom he gave beautiful smiles, self confidence, mentoring, nurtured and guided with God's gift of love, caring and dentistry. He was not only your father Albert Jr. and John, but a father to many who will miss him dearly for his dedication to his craft, his oh so kind words of encouragement and his jovial disposition. I say "Thank You" Dr. Quashie for giving me my beautiful smile. "Well Done Good and Faithful Servant". You have fought an excellent fight; you have finished the race and you have kept the faith. May your Soul Rest in Peace!*
