“ *To The Family: My heart goes out to all of you. Look to the hills from whence cometh your help because your help cometh from the Lord. I meet Rick about 15 years ago when he came to work at the State Department. He was such a kind and loving person and always smiled. I was so happy when he told me that he had got a job with Metro he was very excited and welcomed the challenge that this job would bring. We will all miss him down at the State Department. I know that the upcoming weeks and months will be hard but just know that Rick is in a much better place. May God bless and keep your family at this time.*
