“ *Fred was such a warm, friendly person. It takes someone really special to touch so many lives with the briefest encounter. I hope that the many warm memories and kind thoughts will provide your family with comfort in this difficult time.*

“ *My Prayers goes out to Tiffany and family of this remarkable man. Fred was a essence of light. He made us smile. He was a giving person. Fred thank you being you. You taught me friendship and love. I am sorry for taking things for granted. I promise that I will make strides to glorify god with my life and inheritance. I hope god you push me to do it. i need help with that cuz i lie alot. but fred didnt. His word was his bond. You left a legacy for us to see and walk into god and to LOVE one another. Which I still have problem with. Tiffany cherish the love and memories that FREDDO gave to you and your family. Fred i am AT EASE you are in heaven. Your Parents and Grandparents is there. we all will see you soon. but we must complete the tasks that god has INFRONT of us. Real ministry starts at home. Fred demonstrated that he loved you in your worst. that how God is. God will never leave you nor forsake Tiffany, Kevin and Meka.*

Love Always

“ Please accept my condolences for the loss of your dear loved one. The Bible tells us that the pain you are enduring right now was never meant to be. (Genesis 2:17) Our Heavenly Father certainly cares for you and knows your pain. He will soon wipe away your tears of sorrow and remove the cruelty of death. (Rev. 21:3 and 4) I pray that you will be comforted by this hope.

“ Fred was a counselor at Camp Oak Hill for several years. My parents were the directors so I was around all the years Fred was. It seemed like Fred was around all the years I was too. I used to call him "Derf" (Fred, backwards), and he would say, "Dont call me DERF!" but would always laugh. I was once so excited to see him, I'm not sure why this time more than any other, that I ran to the top of the hill where he was, jumped to hug him, and made him fall over. You had to be there, but it was a good Fred moment. He was so good with the campers, so easy to be around, and so genuinely kind. He was also mean on the drums during chapel (which were actually make-shift drums, but he rocked em!).
