“ *He was a great uncle and man of God whom I will always remember. I will miss his words of wisdom, his smile, the Coleman shuffle, seeing him drive the green Jeep. May his spirit of giving and genuine concern for others, as well as his wisdom fill the hearts of all those who knew him so that we can be a great humanitarian like Trustee Alfred Coleman. May all of his acts of kindness be returned 100-fold to my Aunt Francine, Kia, Erica, his brother John and sister Alice. I will be praying for all of you.*

Love,

“ *The Broken Chain*

*We little knew that morning that
God was going to call your name.
In life we loved you dearly
In death we do the same.
It broke our hearts to lose you,
you did not go alone;
for part of us went with you,
the day God called you home.
You left us peaceful memories,
your love is still our guide,
and though we cannot see you,
you are always at our side.
Our family chain is broken
and nothing seems the same,
but as God calls us one by one,
the chain will link again.*

“ *To the Coleman and Key family, we send you all our deepest thoughts, love and prayers. You all mean the world to us and we are here to help in anyway we can. We loved Trustee Coleman and there is not a day that we don't think about him, sharing memories of all the good times that we had with him from his mannerisms, his singing and his expressions. He used to chuckle at my nickname for him which was "The Professor." He was very smart and had one of the greatest minds the world has ever seen. My sons and I love him because he was a caring and giving person and he always looked out for them.*

We can be comforted in knowing that we shall all see him one day, healthy, happy and in the arms of Jesus.

Stay strong and keep looking unto the hills from whence cometh your help for it comes from the Lord.

With much love,

Valerie, Andrew, and Alex Evans##imported-begin##Valerie Evans##imported-end##
