*Although I'm not able to be with you all tomorrow, please know that my prayers are with you and one of the wonderful things I'll remember and share with others about Uncle Alphonso is that he spent his last functioning days ministering to others and spreading the gospel of Jesus Christ to the broken-hearted. May that legacy be carried out through his children, grandchildren, neices and nephews. I love you all and may God's incredible peace and love hold you as the days go forth. In Jesus' name,
