“ *Andre - although we lost touch, you were such a very special friend to me for so many years. Boy did we ever have some great times... running around at Tracks and 'kick'n our legs up' to Janet Jackson's 'Control'... tearing around NOVA in my car of the week and singing 'Amazing Grace' at the top of our lungs... God's sweet Amazing Grace... I pray and know you have it now. Life can be difficult my friend but you rest in peace now...##imported-begin##Emilio Rouco##imported-end##*

“ Tears came to my eyes when I heard of Terry's passing, but a smile on my face replaced them when I thought of the times we'd shared.

Wonderful memories of seeing him running a race with friends down a residential street - and wining, singing And I Am Telling You I'm Not Going and Amazing Grace - better than some famous for singing them, driving that yellow school bus around Fairfax County and, exhibiting dance moves that rivaled those he imitated.

I'll always have great memories of Terry, and he'll always have a place in my heart.

To Terry's family, I extend my heartfelt condolences.##imported-begin##Chamene Howard##imported-end##

“ My condolences and prayers go to the family. I knew Andre at TJHS, a long time ago, but it seems like just yesterday. I was speaking of him to my husband and Lisa Elkins just a couple of weeks ago and then received the news. Unpredictable how certain people remain in your thoughts at just the right time.

Andre, "Rest my brother, take God's hand and know that your time, no matter how long or short, with us will always be treasured and remembered. Rest my brother, for it is time for you to turn in long days of work and weary eyes, for eternal grace and Angel's wings. Much love."

Andre was definitely a unique person in his own right. He was always a true friend and a wonderful person to have known.

“ Sheila, James, Shenise and Kunta. I will always have a song in my heart for Terry. As our friend, Mimi said he is singing with the angels now. I was very happy to have reconnected with Terry a few months ago through Facebook, we did get to chat on the phone remembering goodtimes growing up together and laugh at the crazy things we did as teenagers. Of course he caught me up on what everyone was doing. Sheila, I send my love to you and your family.##imported-begin##John Buckingham##imported-end##
