“ *Blessings and condolences to you, Darlene, Trish, and the rest of Andrea's family. As for me, sweet Andrea will be greatly missed. I loved kissing her forehead or rubbing her shoulder. I have mixed emotions, however, I know she is in a better place and she is free from the restrictions that her body brought. I bless God for her life and how she impacted so many. And thanks to you, Darlene, for your wonderful example of a mother who loved without condition and so selflessly. Very well done!! You are in my prayers.*

“ *Please accept my sympathy for your loss. During this difficult time, may family and friends be comforted by the wonderful hope of the promise at Revelation 21:4: "And he will wipe out every tear from their eyes and death will be no more, neither mourning nor outcry nor pain be anymore, the former things have passed away."*
