“ *Such a good friend, always willing to help anyone in need. The love and compassion she had for family and friends was unconditional. I know heaven is glowing even more with a beautiful flower that has departed us.*

“ *I remember the day I meet you Andrea it was like me adding another family member to my family. When I wanted to vent you were always there for me even if my mouth was reckless at times you would tell me to get it out and be done with it. I remember the day you retired and the day we meet for lunch I didn't tell you I had a gift for you for your retirement. Something you told us you wanted but didn't get at your retirement party. Then, I gave it to you a signed Retirement letter from President Barack Obama the smile on your face was priceless... Rest my friend and thank you for being you. Until we meet again*

“ It was 6 and a half years, since I last saw you, when you went above and beyond to assist me through the many preparations when Benita passed. I thought I'd get to hug you at your brothers going home services, but God had other plans.
I have to hug you in spirit, and hold our memories dear forever more

“ 🙏Ma.....🙏Grammie....We are going to miss you soooooo very much!! We love you & you already knew and could feel that way before your sudden departure. Thank you for being the best Mommy💜 & Grammie 💜 we could have ever hoped for. You lived your life without regret & was always helping & serving others. In fact until your last breath you were in the midst of doing just that, serving & preparing for your brother's final rest. Although we will miss you terribly & we will have to ultimately face this New Normal Life without your physical body. We do know your sweet & comical spirit will stick close with us. Until we meet again, we take comfort in knowing that with God's held we will make it through. You are now our personal #ANGEL👼 Your Daughter -Nicksha, Your Favorite/Only Son-in-Love - Grayson & Your Best Buddies/Grammie's Babies - Maleah & -Mackenzie & -Jaden & -Jaden
