

Angela Denise * Briscoe

January 1, 1960 - April 25, 2007

Angela Denise Briscoe departed this life on Wednesday, April 25, 2007.

Angela was a "Briscoe" - and for those who don't know what that means - a person you could trust, count on to get things done, and simply believe in.

At a very early age, the person that Angela was to become was more than apparent. Vivacious, energetic and adventurous were just a few of the attributes that shown through.

Life for Angela was to be lived -play hard, work hard, love hard, be great, rest barely.

A mover and shaker, her actions reflected her flare for life. You'd find Angela anywhere and everywhere. She was a person who could go to work and be a powerful constituent or go into the community and be a force for positive change. She was a fierce friend and embodied anything and everything her family needed her to be.

Famous for her meals, Angela was a chef. She could taste it and duplicate it in most cases better than the original. If we close our eyes we can still taste some of her signature dishes - her broccoli casserole, curry chicken, chicken salad and meatballs.

One of her many mottos was, "If you conceive it, it could be done?", which she took with her to the kitchen, church, schools, and pretty much anywhere she went.

There are too many words to describe Angela and I'm sure everyone could think of many more. She is survived by us all. Keep her in your thoughts and hearts and she can never be missed.

She was the loving mother of Denisha, Damien and Kevin Briscoe; beloved daughter of John F. III and Ann Briscoe; devoted sister of Jonathan, Beverly, William, Kevin and Terrance Briscoe. She is also survived by two grandchildren, Taylor and Damia and a host of other relatives and friends.

“ *I still can't believe you're gone. Although we did not get together or talk to each other on a regular basis, whenever we did we had a ball. The last time we were together was at the "Western Dance" for Banneker's class of 1960. What did WE know about 1960? We had just arrived in January and June, respectively. Nonetheless, we had a ball partying with our Dads and their brothers, their wives, and sister!*

Your beautiful smile and hearty laugh will truly be missed. Until we meet again, my dear cousin . . .

Love,

“ I LOVE U & MISS U

*Well first off I must say God bless the family and I miss u Angie. I didn't get to say my good byes before you left but I will see you again in heaven some day. I will never forget the broccoli casserole that Angie made. When I went down the country for special family events, the broccoli casserole was mostly gone by time I arrived. Angie couldn't say much about her favorite dish, but smile when I would ask her is there any more. I miss you Angie and your big smile and loud laugh. Love you dearly!

“ *Hello John, Ann and Family,*

I am so sorry to hear about Angela's passing. But you know to be present with the Lord is to be absent from the body. Angela was a sweet sister and always carried a beautiful SMILE. I saw her last at Jocelyn Estep's wedding in July, 06 and she informed us of the illness but she still had that beautiful smile through it all. John and Ann, hold on to the beautiful memories and she will always be in your heart.

Love ya all,

“ I love you Angela. I will always remember the MANY laughs and adventures that we shared. Like out dancing the younger girls in the family at Christmas time and riding around St. Mary's with our buddies. I have truly been blessed to have you in my life.

Angela's broccoli casserole was sooo good that I'd always bring my own bowl with me so that I could take some home. So Angela save me some broccoli casserole cause when I get to heaven I'll have my bowls with me.

Love always, your cousin...Jean###imported-begin##Jean King###imported-end##
