“ *Albert and Gloria:*
Bernard and I were deeply saddened to learn of Angella's homegoing. We met Angella when she was at Kendall Baptist Church. After her knee surgery several years ago, I visited her home every week to help her out during her recovery. When she became able to resume doing the little things that I had been doing for her, she suprised me on my last visit with a "Certificate of Graduation" that she made, along with coffee cake and drink to say thank you and to let me know how much she appreciated my help. She also gave me a beautiful scarf that I continue to wear. I called earlier this year to check in with her. She was as fiesty as ever. She was great for sending cards to Bernard and I, along with heartfelt notes of encouragement. She always talked lovingly about Albert and Gloria. May our God continue to give you peace and comfort.##imported-begin##Alice Robinson##imported-end##
