“ *Randy, you are truly being missed right now. I am remembering all the funny and goofy things that made you laugh. A laugh that will make anyone burst out. You are gone too soon, that's a fact. I have now lost both my brothers. And a least you are with Tony, Jeremy and mommy. Maybe all of you are playing spades and having one of mommy's delicious meals with her saying "knock it in the head". Her famous motto. Everyone of you are beng remembered today and always. My heart hurts. Love you all, Kathy.*
