“ I didn't know Anita outside of Facebook. We were in an online Garden Group together for a few years. We would send each other seeds. We communicated almost every day via Messenger/Facetime/Phone about our progress with our indoor gardens. We were deep into Hydroponics. She had a passion for cooking too. She was forever calling me to tell me about the cakes she baked, and she would send me recipes on how to make homemade foods instead of store bought. May Anita Christine Ross Rest In Peace. She will truly be missed.
