“ *Deepest Sympathy to Angela and Family....Ann was a true comrade--committed to perfection; she was relentless. I found this to be true professionally and personally. Professionally we met at U.S. Department of Agriculture/Cooperative State Research Service through her position as Records Archivist over 30 years ago. If you requested her assistance, without fail, positive delivery was guaranteed. We became good friends. Personally she worked relentlessly with me in fund-raising activities for my small but faith-driven Church, as we would say, "down the country." She enjoyed our visits as we fostered meaningful growth at my little Church in rural Virginia. Angela....my family joins me in expressing condolences. I will miss my friend but I know she will be "rewarded on high." Rest in Peace dear friend having completed a job well done.*
