“ *Uncle Jack,*

Aunt Anna was always one of my favorite people to be around and she SPOILED me all the time. I will never forget her and how you and her always made me feel loved. I always loved coming down to D.C. to visit you both. I talk about her often and her upbeat personality. Mainly regardind her Redskins. I can still see her fussing at Mark Rypien! Even though she is gone in the physical, her memories will always be with me. Especially our last trip to Ocean City. I love you Uncle Jack and pray for strength for you during this time. See you soon.

*Love always,

“ *Aunt Anna was one of my the most memorable people I have ever met. She was quick with her wit and always made me smile every time I saw her. She and Uncle Jack were always fun to be around every time I went to see them in their home, or when they came to visit us. I always enjoyed her talking sports. Especially about the Redskins. Through her illness, that incredible wit waned. But, I will never forget that part of her. Even though she is gone from us, I know that smile is there shining down on me and the rest of her family. May God bless you Uncle Jack and rest of the Marsh family.*
