TO THE BARNES FAMILY AND THE MANY FRIENDS OF MRS. ANNIE LEE BARNES

I would like to extend my sincere and heartfelt condolences to the entire Barnes family in the passing of their loved one. You are in my prayers.

Indeed, Mrs. Annie Lee Barnes was the matriarch of a great loving family and we are all better because she lived. I personally benefited from her life. I had the good fortune to attend graduate school in economics at SUNY at Stony Brook with her son Kenneth. In establishing a lifelong friendship with Kenny, I came to know Mrs. Barnes and other family members. I found her generosity, love of family, outreach to others, welcoming of others, positive outlook on life, and indomitable spirit to be boundless. I never knew her to have a harsh word — always a kind word; soft-spoken, she was always pleasant in conversation and in engagement others. She always laughed at Kenny's jokes — who is a bit of a comedian, and at his stories about our grad school experiences. Because she supported him (and all her children), I benefited with food from her DC kitchen (and indirectly from her funds to her son) and insights from the advice she imparted. And even though I lived in Tennessee and now Atlanta, she became a bit of a second mom to me. A woman of God, Mrs. Barnes, thank you for being you and for being a light in so many lives, including mine. Thank you for all you did for your family and others. God Bless you as you join those loved ones who have gone before you. As they say in my church, "Well done my good and faithful servant." Rest in Peace. — S. Art Cain
