“ *(Romans 15:4) For all the things that were written aforetime were written for our instruction, that through our endurance and through the comfort from the Scriptures we might have hope.*

I am one of the international Bible Students in the area. I would like to send condolences to the family. There is a God of comfort and you can read your Bible so that he can help you during this time in your life. I hope these scriptures help comfort you.

(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.

To Ansonia's Family - Please accept my most sincere condolences in this time of sorrow. I worked with Ansonia for many years at the US. Department of Labor. She was one of the kindest and most gentle people I ever had the pleasure and honor of knowing. She was a bright light in many dark days and Heaven just got a special angel.

I am sorry for your loss. I was not aware of her passing years ago. If I had known I would have been in attendance. Daryl Jones
