“ I remember visiting the Saltibus family often with my mother. Respected and respectful family. That bond our families had has always been part of my memory I've even told my offspring about that connection. Sincere condolences to his immediate family and his siblings. This made me really sad when all those memories started resurfacing. Rest in perfect peace and power Mr. Saltibus. One love from Statham Simon Shani, Kiwi and Marcus Simon . Blessings.

“ Heaven has gained a precious angel, Shirdar your unwavering kindness, generosity and unrelenting support for family and friends will makes your passing a tremendous loss. Though, you were a voice on the phone because of my location , your subtle humor and jokes, especially to Shamel, like the unforgettable "come children, let's go live your mother's dreams" as you selflessly shuttled your niece and nephew to their activities, will forever be etched in their hearts. Death is nerver easy, and I lift up prayes of comfort to all your family especially your children . No more pain and now may you rest in eternal peace 🕯️ 🕊️
