“ Tony I know that we joke all the time but I am really sorry for your lost. I can understand exactly how you fill because I've felt that pain twice. Tony I tend to look up to you for most of my answer alot of time and the reason why is because it's hard for me to respect other men like a father figure if you catch my drift. I am always there if you need.##imported-begin##Antonio A. Simmons##imported-end##
