“ Dear Family,
I would like to send my condolences to you at this time. I know that God has his arms around Archie and he is gone to a better place. Archie, my Brother, we had a good time fishing and playing cards. I know that I never told you but you were the man SMILE! I will see you in heaven and look forward to you being my partner in some bidwhiz so that we can run a Boston NO like we used to do. I will miss you my brother.##imported-begin##Gregory Wilson##imported-end##

“ Dear Family,
I have had the pleasure of knowing Archie for many years. Archie and I became fast friends and teased each other about everything from who caught the biggest fish to who dressed the best or who could cook the best. There was never a time that Archie and I wouldn't take the opportunity to make each other laugh. He nicked name me "Lucy" and nobody else was ever allowed to call me that nor would I answer if someone did. Archie was a big brother to me and always had advice for me even if I didn't want it. I'm going to miss him. Thank you for allowing him to be a part of my life.##imported-begin##Desiree Lucy Wilson ##imported-end##
