“ Archie R. Willis II, "Bobby"

“ Archie, I was thinking about you today. It brought tears to my eyes to know that you are no longer with us. Although my heart is heavy, I am very thankful that we had a chance to talk things out and I had a chance to tell you how I felt about a few things that transpired between us throughout the years, and how I felt about you. I knew you since I was 19 years old, I can't stop thinking about when you use to pick up almost every weekend & we would go to Hampton those days will forever be cherished. Until we meet again, your friend Camisha.

“ Archie and I were really good friends. He was a classmate of mine from Hampton. After we reconnected, we became close friends and would spend weekends together laughing and telling jokes. Archie always seem to want to put smiles on the faces of those he encountered. His bright smile and laughter were infectious. If you were sad, well, Archie would find some way to turn that frown upside down. His loving spirit and beautiful smile will be missed.

*I offer condolences to his family as I know their pain runs deep. Take comfort in knowing that Archie left an impact on every life he touched. May God grant you all peace and comfort.*
