“ *I was blessed to have known and worked with Rita for so many years. She always provided me with comfort when I was down, support when the job got to me, and laughter when I needed it. Even when she was dealing with her own illness, she still took time to ask me about things in my life.*

*I miss her greatly, but take comfort in knowing that she gone home to be with God. She will no longer have to suffer.*

“ *Rita,  
I will truly miss you and I know you are in God's hands now and can rest peacefully. You were such a courageous woman to the end and will remember the fight you put up with a big smile on your face. I never once heard you complain and always had kind words to say even when I knew you weren't feeling well. God bless you and keep you safe.*

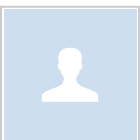

*To Rita's family: May God give you comfort and peace in your time of sorrow. Rita was a special woman who touch many lives in different ways and will truly be missed.###imported-begin###Deborah Evans###imported-end##*
