“ I had the privilege of knowing Avis over the last couple of years as I drove her back and forth to dialysis through the NeighborRide program here in Columbia. Her faith and endurance in the face of adversity were so inspiring, as were her sense of humor and storytelling. I will miss her dearly and am lighting a yellow candle to honor her courage and strength in the the midst of prolonged suffering. My condolences to her family members that were so dear to her. I am grateful to have known her and thankful that she is now at peace in the loving embrace of God.

“ *Our thoughts and prayers are with your family. May God comfort you through his word the Bible and the gift of prayer. Thinking of you all.*

Evans family - February 03 at 11:22 AM

“ Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to our worst enemy called Death, in these critical situations it's normal to feel helpless not knowing where to turn. However, our heavenly creator has assured us in HEB: 6/11 that it is impossible for him to ever forget us, He also stated in John:5/28/29 that all those in the memorial tombs will here is voice and come out, So GOD is given us all his promise of hope of us being together once again. Meanwhile we can give our thanks to the March family funeral directors: for their perfectional assistance and their heartfelt concern toward the unfortunate friends and families; THANKS.
