“ To my dear Sisters and Brothers: Beverly, Dwight, Ronnie, Ginger, Wanda, Kirk, Lee, Teanna, Gilly, and all of the other family members - I am so very saddened by the passing of your Mom / Grandmother. I feel very much a part of the family - all of you have always treated me like a brother. And Mrs. Tyler, God rest her Beautiful Soul, always looked at and talked to me as if I were one of her sons. Her loving ways and her smiling face never failed to lift my spirits, and I know that Jesus has a special place of welcome and comfort in Paradise that was set aside long ago just for her. I pray that you will find some comfort in the knowledge that her pain and suffering are over, and that she will experience no more disappointment. Nothing but the divine Peace and Beauty of Heaven for this Wonderful Lady that was the very personification of Peace and Beauty on earth. She will forever hold a very special place in my heart. I always loved Mrs. Tyler, and I'll always love you guys. God bless you all.##imported-begin##Michael Gray##imported-end##

“ To all of you, I offer you my condolences. May you take comfort in knowing that grandma is now resting peacefully and comfortably in the presence of our father God. Mrs. Avon was a wonderful woman and she always greeted me with a beautiful smile in which I will always remember. She was a very loving and kind woman and her calm presence will be greatly missed. I pray that God will continue to bless and strengthen your family as you go through this rough time.

Ginger and Shannon, you both know that I love you dearly and if there is anything that I can do for you during this time, please don't hesitate to let me know.

Love Always,
