“ *Dear Mr. Baker & Family,
Barbara was a very special person to me. During her illness she was always so positive and always had a smile on her face even up to her last days. I wish everyone could see life the way that she did. She has such an amazing husband, children and sisters. Although I only knew Barbara for about 2 years I feel like she personally influenced my life in a way that no one has. My thoughts and prayers are with you. I hope that all of you feel better knowing that Barbara is now watching over all of us. God Bless. Barbara will truly be missed.
Sincerely,
Carolyn Patterson##imported-begin##Carolyn Patterson##imported-end##*
