“ *I have known Barbara since Jr School. We shared many things together. I would call her every few months. We would bring each other up to date with things that were happening in our life. we always reverted to talking of some of our fun things we did in our youth. The good memories are forever there. My dear friend has ended her journey, as I travel on thru mine I will have comfort in my memories of her. May God Bless and Keep You MY DEAr Friend.*
