*Barbara, I first met you on my first job after college at the U. S. Coast Guard in Washington, DC. We both stayed the course with that agency until we both retired. I'll always remember you preferred to called 'Bucky' even though I never did because 'Barbara' was more appropriate to match your pretty face. Rest in eternal Peace.*

“ *My heartfelt condolences to all family, friends and loved ones. My Dear Friend Bucky, I'm sorry we didn't have more retirement years to share. We had some great times over the years at Coast Guard and out. Talked plenty of trash and had big fun. You take care of Missy Bee and Hucklebuck and all our other four legged fur baby angels. I know they are in good hands with you watching over them. RIP Bucky!*

*I worked with Barbara for few years in the early days of my career with the U.S. Coast Guard. She was a good worker. We even carpooled together when she married and moved out to District Heights, MD, which is now known as Forestville, MD. I always thought she was beautiful and didn't think the nickname "Bucky" was fitting for her pretty face so I always called her Barbara. Her warm smile was always present. Also, Barbara was an avid card player, and often played at lunchtime. Rest in peace, my friend.*
