“ I love you so much and will miss all of our movie and shopping dates. Most importantly I will miss our conversations over the phone that kept us up half the night to include times when you would call and ask me "Where have you been you're not answering the phone, have you been on the bus again?" The time we had when you would venture with me on my church outings cannot be replaced. I know where you are going and I will see you there. I will always here you say "Hey Girl!"###imported-begin##Nancy Mcneil###imported-end##

“ To the Thomas Family in your time of grief i pray that you would find comfort in the arms of the Lord. I pray that you would rejoice, becuase the angels in heaven are rejoicing, because another angel has went home. She is in a place of rest, no more pain but she is walking on the street of Gold. I leave you all with this: For I reckon that the suffering of this present time are NOT worthy to be compared with the glory which shall be revealed in US. Be encourage and know that Joy is coming in the morning. Be Blessed###imported-begin##Marcene Stewart###imported-end##
