“ *Barbara is a special lady! I worked with her at FDIC and will miss her. She will always be remembered for her love of life, family, and friends. Her Hawaiian heritage was very much a part of her life and I will always remember how proud she was of that identity. She and her family are in our prayers.##imported-begin##Patricia Lewis##imported-end##*

“ To Barb's family and friends,

I am so sorry for your loss.

I knew Barb when I worked at FDIC and found she was an easy person to like and get to know. She loved her family and was kind and generous to everyone. She will be missed by all of us.##imported-begin##Ruth Bethea##imported-end##

“ *I met Barbara on my first day at FDIC in 1985 and she didn't change a bit. She was a wonderful person to know and to work with. I know that in those early days the only reason we FDIC employees got paid was because Barbara and her team worked late into the night to make sure that the payroll system ran and that all employees got their pay correctly and on time. God bless her.*

Dennis & Denise: Please take care of her Longaberger baskets as they are special. I remember once before when she was sick she was worried that you wouldn't know what these baskets were.##imported-begin##Tissa Rogers##imported-end##

“ Dennis, Denise, Brandon, family and friends --

I feel that I was the one blessed to have known Barbara. Her work family lovingly called her ?BK?. At her retirement party, I wrote a farewell poem titled ?Sweet Sixteen? since I had the pleasure of working with Barbara for 16 years.

I can recall sitting in her office about 10 years ago - just before lunch - since she did not arrive early. Several of us were in discussion when a new employee made the statement about a black & white photo of Denise - ?Don?t you just hate those gorgeous models whose picture comes with the frame.? Barbara?s reply was ?Everyone is gorgeous.? This is just one example of Barbara?s loving and nurturing spirit.

My deepest sympathy now that she is no longer with us. She will be missed.##imported-begin##Sherrie Craun##imported-end##

“ *Mr. Dennis, Denise, and family,
My prayers are with you all at this time. I had the pleasure of working with a lovely lady who lived in the area where I grew up. We often talked about the kids, the neighborhood, and various food locations near by. I always desired to go to Hawaii. She always encouraged me to go I only live once.*

Barbara was the sweetest person I know. She had a heart of gold. She will truly be missed during luncheons that she often came back to at FDIC where we laughed often, her beautiful smile, zeal and love for Life.

Know that your memories of her will last for a Lifetime! What a joy that is to know.
