“*May the momories you've shared as a family give ypu all peace and joy in Babara's absence. We used to sit and have breakfast at work and talk about our families and health. In retirement we talked about getting together and going to church. We talked about people that we worked with and always we talked about her buddy Peter Kuck. She had such pride for her children and grand childre. Barbara will be missed.*

“ To Tanya and the McNair Family,
I am so sorry to learn of Ms. Barbara's passing. May the fond memories you have of her remain close to your heart so that her spirit and instructions will continue to guide you through life's obstacles. While each of us are here to help you navigate through the many stages of grieving you'll face, I pray that your tears will be soothed by knowing Ms. Barbara is now walking the streets of gold (pain-free) by God's side.
