“ May the Lord bless and keep you during this period of sadness. Barbara was my friend and neighbor for 17 years. Monti and Dickie I know you will miss her as I will but we have all of our wonderful memories. Growing up you were the sons we never had. Take care and know that God is our refuge and our strength. Please contact me if you can. I want to keep in contact.

*“ The Simpkins family has my sympathy. Barbara worked with me when I was The Assistant Superintendent of the Model School Division and Region V of the DC School System for many years. She, as planner and supervisor, with other chaperons, accompanied about four hundred students to New York on a field trip to see the Broadway play, Pearl. My best wishes to you all.##imported-begin##Gilbert Diggs##imported-end##*
