“ *Barbara Ardelia Woods*

“*Barbara Ardelia Woods was a servant of God who demonstrated a willingness to work for God in whatever capacity that was needed. She did not seek the spotlight where she could be seen and hailed by others. She was my friend and consented to assist me with the Sunday School. She assisted me in securing funds and encouragement to young Sunday School students in their free trip for the Auxiliary in Ministry (AIM) at Refreshing Spring Church of God in Christ in their trip to California via the Leadership of Mother Jean Smith many years ago. She actively participated and consented to assist me in the Sunday School outreach for students at God Glorified Church of God in Christ. She continued to have this zeal to assist this auxiliary throughout her years of sickness and confinement. She provided encouragement, strategies and finances. We would talk over the telephone about the blessings of serving God and how it was so important to give our total self in spreading the news of Jesus Christ.*

In each of our discussions, we would discuss the Book of Jude—the Book of the Bible that is just before the Book of Revelation. We would discuss how Jude only had one chapter and we concentrated on the last two verses; Verses 24 and 25, which were a guiding light for us. In Jude, Verse 25, it states “Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy.” In Verse 26, it states “To the only wise God our Savior, be glory and majesty, dominion and power, both now and ever. Amen.”

Ardelia: Your legacy will live on and I appreciate your willingness to continue to assist me in our endeavor to work with others in the Sunday School arena. You were a very candid individual and if you had any reservations, you would have informed me forthright.

To the Family and all others: Remember, there is a God on the throne, and he will take us through anything that seems insurmountable. Therefore, we are to have peace and love for each

other and no conflicts.

“ *I remember Ardelia from growing up at Refreshing Spring. I sat, one day, with her during a reception along with Mother Fisher. I have never laughed so hard in my life! OMG! They were so incredibly HILARIOUS and colorful! I had to stop myself from crying. I really had a great time.*

She will definitely be missed! I am praying for her family and friends during this difficult time.

Mom our first Christmas without you, and it's tough. Your Granddaughter misses you so much. She always talking about you. As you stated many time: the ones you mentioned are doing as you thought they would. But it's no match and will be over soon. We love you so much
