“ *Jackie*

We wish you and your family much peace and comfort during this bereavement time. The Lord has a plan that we don't know but when He calls you must answer and my beloved friend of many years heard that call. I as well as Kevin will miss him madly. But I will pray that you continue to have the strength to make it through this time. Just hold onto Gog's unchanging hand and he will give you the comfort that you need. He smiles down at us as you very well know. My condolences go out to you. Blessings to you.##imported-begin##La Wanda/David/Kevin##imported-end##

“ To Jackie and the immediate family:

My heart goes out to you and your family during this time of your loss. It's been a long time, but Keith had a personality that will always be remembered. I remember growing up and all of us going to Mulberry Baptist Church and singing on the choir, Keith always had something to say to make us all laugh. I will be praying for all of you and just know that God is in control and will take care of you. My prayers are with you.##imported-begin##Kathy Thompson-Hudgins##imported-end##
