“ *Belita you were the sister that I only met once. Champ worked so hard to get all the brothers and sisters together. It's eerie that I feel a loss. A loss for not getting to know you like others have, missing a chances to share with you, and being there for you as an older sister. For the family, remember that God knows best and he will take care of her as he will take care of you during your sorrow. Love and Peace*

“ To the Williams Family -

My heartfelt condolences go to your family at the untimely loss of Belita. As a co-worker of mine here at NeuStar, Belita always had a smile, pleasant demeanor and a wonderful attitude whenever I came by. She made the very hard things easy and that's a blessing. I enjoyed the short time that I knew her very much. Good people like her are hard to find. She will be missed!!

My hope is that in some small way, the people that knew her, learned from that experience and celebrate her memory by doing the things the precious little things that she did to make people feel good.

Regards

“ *What a privilege to know such a person. Her smile, friendship and help always available, made of her a very special person.*

Yes, we know God also wants good people closer to Him, but it hurts not to be able to see her around and listen to her voice again.

The good news is, if we wait just a little longer and believe in the same God she believed, we will see her again; this time with a new body without disease or imperfection and with a brighter smile to offer.

Psalms 116:15 "Precious in the Sight of the Lord is the Death of His precious children".

We will miss her.##imported-begin##Mr. & Mrs. Gerson Furtado##imported-end##
