“ I am Bennie youngest sister and with a heavy heart I share these memories. Brother you went away and I did not get to say my last goodbye but those precious memories I have of you will never die. You will always be in my heart. I will miss talking and laughing with you and especially how you would say "You are to fat" What happened you eating to much. Brother you were so special to me but sadly the chain has been broken so I say Rest in Peace I loved you but God knows best!

Your youngest sister
