“ *Dear "Peachie," you and I were "Best Friends Forever" even before it became a saying. We may have physically been 3,000 miles apart, but we were always only a phone call away. You were always my angel here on earth, now you're my guardian angel in heaven. Eternal rest grant unto her O Lord, and may perpetual light shine upon her. Rest in peace my forever sister. Love, Arlala "La" Sheppard*

“ *We loved Bernie as a caring friend and nextdoor neighbor. She particularly enjoyed Halloween, especially when her grandkids showed up. Bernie decorated her front door for Trick-or-treaters, and welcomed them by dressing as a witch, enjoying the evening as much as the kids did. She loved her neighbors and neighborhood, and we miss her greatly.*
