“ *I was saddened to hear that Bertha, my mentor, helper, former coworker, and dear friend had passed. Bertha was a friend and helper to so many people at the Commission, but particularly young, Black women and men. Even after she retired, many people still quoted her and recalled the many lessons she shared with us. Due to a commitment out of the area, I was unable to attend the services, but in my heart I was there. She was a wonderful person. May she rest in peace.##imported-begin##Wendelin Whitfield##imported-end##*
