“ *Don't stand at my grave and weep
For I am not here, I do not sleep
I am a thousand winds that blow
I am the diamonds glint on snow
I am the sunlight on a ripened grain
I am the gentle autumn's rain*

*When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in the circle flight
I am the soft stars that shine at night
Do not stand at my grave and cry
I am not here, I did not die*
