*Dear Thomas & Linda, I am so sorry that I could not attend Betty's funeral in Washington, D.C. I, too, had surgery and was advised by my surgeon not to do anything strenuous (lifting, abrupt movements etc.), therefore, it would not been wise for me travel. I do appreciate your request of me being on the program and I would have been honored to do so. Never the less, my return trip to Washington to spend valuable and heartfelt time with Betty before passing away meant more to me. I made vow to come see her and I did. We laughed and rehashed old times. I shall always have fond memories of Betty and the rest of our family. I do wish you and Linda well henceforth. With love and respect until we meet again.*
