“ *Hi Mom,
Theres not a day that passes that I dont think of you. I MISS YOU TERRIBLY. I just wish I could hear your voice. I wish I could just hold your hand. Mom, I LOVE YOU, and I MISS YOU. I didnt know that I could feel so much hurt. I didnt realize that I would cry so often. I try an call Pierre and Silky atleast once a week. Your middle son still will not answer the phone. George has been very supportive, just as you said he would. You are truly MISSED by all, but I know you are enjoying yourself with all your family and friends. Please keeping praying for me, that God will continue to use me.##imported-begin##Your Son--Ricky##imported-end##*

“ Dear Bobby:

I would like to express my sincere condolences on the recent loss of your sister. Although I didn't know Betty, I could tell while reading the memories of loved ones that because of her great kindness and compassion, she was truly loved and very highly respected.

The world is a lesser place without her, but I know she is with God and the Angels, and even Heaven has improved by her presence there. I know you too are sure of this, even though this knowledge can't diminish her loss and your grief.

You should always remember that, WITHIN ALL OF YOU THERE IS A PART OF BETTY; AND WITHIN HER IS A PART OF YOU. This is for certain no matter what happens. Please pass my deepest sympathies on to the rest of the family.

With sincere respect and affection,

“ *This is to extend my sincere and deepest sympathy to Ricky, Pierre and Silky upon your lost. I have known Betty and her sons for more than 30 years. We lived in the same apartment building on 27th Street in Southeast Washington for many years. During that time I knew her to be a strong believer in our Lord and Savior, Jesus Christ. May she rest in peace.##imported-begin##George Taylor##imported-end##*

“ *Cousin Betty was a loving and kind person with a deep love for God and her family. I enjoyed talking to her and sharing happy memories of our youth and school days. Betty and i were a few months apart in age and the story goes that she taught me how to walk by allowing me to pull on her dress as she stumbled by me. I will fondly keep her memory and extend my sincere condolences to the family.*

“ *My Auntie Betty was a strong and proud woman who taught me that through hard work and perseverance one can accomplish whatever he sets his mind to. I owe much of what I am today to my Auntie and this important lesson that she instilled in me. As I plant my gardens this summer, I will think of the family "green thumb" that she passed down to me with the gardening secrets to match. My condolences go out to Ricky, Pierre, and Silky for the lost of such a wonderful mentor, friend, and mother. Cousins, I'm here for you and know that you are in my thoughts. Please forgive me for not being able to make the funeral.##imported-begin##Muata Mikko--Nephew##imported-end##*
