“ *I am so sorry for the Lost of your mother may God bless your family in your Lost of your beloved mother.*

Ruth Skinner - February 01, 2020 at 04:24 PM

“ *Jenkins family may I offer my condolences on behalf of your loss..It just seems so unfair that death has this power to take a love one,where you can no longer see them ,hug them or even talk to them again.,but soon that will no longer be,when the resurrection occurs and you will have the prospect to do those things again with your love one.So until then hold close to your hearts memories you've made over time to give you some comfort..I am so very sorry for your loss*

B. Smith - January 28, 2020 at 10:41 PM

“ *Our thoughts and prayers are with you all. When we lose our loved one in death it is the most difficult time in our life. However there is loving comfort in God's word, to throw our burdens on him and he will sustain us. No matter what we are facing God is there to help us do it. Thinking of you all.*

“ Beverly aka Heavy is and was my strong willed sister. She never gave up and we always talked on the phone everyday eventhough I live in Indiana. She would let me know how everyone was up too. There were times I would call her and she would say let me called you back me why, her response would be The Heat Of The Night was on. I would say okay 2 days later she'll call back. I will miss our talks live always

“ I would like too share this with Tony , Yolanda and Charmaine : Until We Meet Again Those special memories of you will always bring a smile. If only we could have you back for just a little while. Then we could sit and talk again just like we used to do. You always meant so very much and always will too. The fact that you're no longer here will always cause us pain. But you're forever in our heart until we meet again. Love Auntie Lois
