“ My Coworker Beverly , I was saddened to hear the news you passed away, I didn't want to believe it . Im really going miss you, you always ask about Lauren my daughter and wanted to see her when ever I brought her to the job and I would take her down to laundry to see you. She's very sad about your passing as well. We the Maddox family will continue to pray that god gives your family strength. May you Rest In Peace.

“ It has been many years since our family last saw Beverly or the Terrell Family after moving from the Adams-Morgan community in 1980. We thank God for her time on Earth and pray that she is at total peace in the presence of the Lord. We pray for the family that the gift of God's peace, which passes all human understanding, will strengthen, settle, and keep your hearts and minds through our risen Lord Jesus Christ (John 14:27; Philippians 4:7).

“ Beverly! She was more than a co worker to me, She was my sister from another mother.. I'm still in Disbelief, I was so heart broken when I got the news and still hurt by this.. Every time I'm thinking, I see your face. I said to myself the last time I saw you, i didn't think it would be the last time. Only if i can make you laugh one more time.. Rest In Peace! From your lil brother from another mother. Miss and love you alway.. from your brother Bruce Jenkins❤️🙏
