“ *Dear Mr.Codling,
So sorry to learn of your wife's passing. I've thought of you often and my time working with you in the Transportation Dept.at WGLC. Thank you for hiring me way back in the mid-70's.I remember the stories you shared about your wife and children, especially the one about the kids as teens, ducking down in the backseat because they were embarassed to be riding in that old car - a convertible I think!
My prayers to you and your family.*

Sincerely,
