“ *My thoughts and prayers are with you at this very difficult time. I will always remember Bobby and the way he could make us laugh no matter what the circumstance. When I started working at the Defence Mapping Agency he was one of the first people I met and has always been one of the few people from the "old" days that I remember. Rest in Peace Bobby!###imported-begin##Greg Davis###imported-end##*

“ Bobby was a good friend to me at the Defense Mapping Agency for many years. His outgoing personality and friendship were great assets. We would always talk in the halls or at lunch, and share social tales of life. He always dressed neat as a sharp pin. I missed him at my retirement and will miss him now. God Rest His Soul.

“ Hi Shelia

It saddens me to hear about your Father. I know he is in a better place. I wished your father knew my father, because I would ask him when you get to heaven, tell him I still love him and miss him. Hold on to GOD's hands, while you start to remember ALL the good memories and special saying of your Father.##imported-begin##Andrea Owens##imported-end##
